Rules underwent a major general revision at the 8/5/03 Captains Meeting. Rules Changes – and Rules NOT changed – are marked in the body as they occur.

Rules 1, 5.b, 6, 7, 11, 12.b (editorial ONLY), 14.a, 19 (complete), are CHANGES PROPOSED by the Competition Committee in a meeting 11/26/02, and while these take effect as of Round 3 of the 2002 season, MUST be voted on in the 5/4/03 Captains Meeting. NOTE: these changes agree with the information given to Captains in the 8/6/02 Captains Meeting at Green Acres.

Rules 3, 5, 11, 14, and 19 were changed following the May 5, 1998 Captains' Meeting at Bissonet (*last MAJOR revision*.) The May 6, 2001 Captains' Meeting at Bissonet changed the following:

Page 4, Rule 19, Added Scorekeeper Note that each team's score and post-season player eligibility is derived solely from that team's score sheets.

Duties and Responsibilities of JCCA Captains

- 1. All Captains - An "over-the-web" score input routine (TennisScoreboard) has been developed and will be the ONLY method for inputting scores as of 9/02/03 - "JCCA Scoreboard" is retired.**
- 2. CAPTAINS: Check your Rosters in the new scoring system - if your player is not on the roster, instruct the player to Register via JCCA.net. IF YOU INTEND TO USE A PLAYER THAT DOES NOT APPEAR ON YOUR ROSTER, HE MUST BE ADDED TO THE ROSTER NO LATER THAN 6:00 PM THE TUESDAY BEFORE THE TUESDAY MATCH HE IS TO PLAY. This is new - although the rule previously stated "6:00 PM the MONDAY BEFORE.."**

and the rule has in effect since the first issue of JCCA Rules & Regulations.

3. "Log in" and select "Rosters" to ensure that each player you intend to use is on your roster. **THIS MUST BE DONE BEFORE 6:00 PM OF THE TUESDAY MATCH HE IS TO PLAY. Any difficulty, CALL or E-MAIL BILL PRYOR (737-5613) BUT DO NOT WAIT UNTIL MONDAY AT 5:55 PM TO DO THIS - IT IS YOUR EMERGENCY - NOT HIS.**
4. **All Captains, SHOULD, while reviewing rosters for Item 2., above (before the match),** select YOUR players. If you do not see the player you wish to use at this time, he is ineligible, for that match. (NOTE that you do not have to enter the Match Date, the Color, select the HOME team and the Visitor Team, as the system enters that data for you.) Once you have entered all your players' names, click on "File," "Save Match," and when prompted, give that file a name. Hint - that file is available ONLY to YOUR computer users - so call it something you can remember. JCCA Scorekeeper uses a "HomeTeam-VisitorTeam-Date" format, so a RS#2 vs OCC#2 match, played on 9/3/02, would be given the name "rs2-oc2-9-3-02." (You must use dashes ("-") instead of slashes ("/") for the date.) THEN click on "File," "Print," and print a copy to take with you to the courts. Better print two in case your opponent doesn't follow this practice.
5. **Captains SHOULD** exchange score sheets **before** the match. You already know who is playing for YOU, and you can write those names on the opposing Captain's score sheet before the match. Write in the scores of the matches as the matches are played.
6. **EITHER TEAM Captain - Enter match scores within 72 hours of the match.** If the **HOME TEAM Captain** has not posted scores as of 6:00 PM of the Friday following the Match, the **VISITOR Team Captain** must have entered the scores in TennisScoreboard. If NEITHER Captain posts scores by the announced deadline, the match will be "locked" against score entry and those match results are lost to both captains. The end result of this is that the match will show as a match played, appearing in the denominator in calculating percentage match wins, percentage court wins, and percentage game wins. **(For Additional discussion click [HERE](#).)**
7. **Anything you do not understand, please feel free to call - JCCA Scorekeeper Bill Pryor 737-5613.**
